ABOUT ME

I am eager to leverage my academic background and hands-on experience to contribute to a dynamic tech team. Throughout my studies, I developed a strong foundation in programming and database management. I am particularly interested in roles that allow me to apply my knowledge in real-world scenarios, continuously learn new technologies, and grow within a supportive and challenging environment.

TECHNICAL KNOWLEDGE

- Languages : C,C++,Java,Python,Php,Asp.net
 - Web Technologies : HTML,CSS,Javascript,React
 - Database System : SQL,MongoDB
-

SKILLS

- Teamwork
 - Adaptive
 - Exploring new things
-

WORK EXPERIENCE

Internship at Imbuesoft

May 2023 - July 2023

React Developer Intern

Developed and maintained web applications using React.js, ensuring high performance and responsiveness. Enhanced user interfaces by implementing clean, efficient, and reusable code. Utilized Tailwind CSS and Bootstrap to build and style responsive components. Managed version control and collaboration using Git. Contributed to the design and implementation of new features and functionalities.

EDUCATION

B.Sc.IT

2021 - 2024

Atmiya University - Rajkot
CGPA - 9.82

H.S.C.(Comm)

2020

Sadbhavana School - Babra
PR - 99.51

S.S.C.

2018

Sadbhavana School - Babra
PR - 97.96

PROJECTS

Inventory Management system

Created Inventory management system using React.js with tailwind css for user-friendly interface. I have used MERN stack for creating this web app that offers real-time stock insights, automates invoicing and categorize products.
